Notebook belonging to Padre Miquel Domingo Fuertes y Loren

Priest and botanist in the Dominican Republic.

Contains a daily diary of a portion of the 1914 revolution; a list of potential correspondents; several sketch maps of southern Barahona peninsula and the Neyba valley where he collected. Mostly in his own handwriting. Salvaged by George H. Hamor after Fuertes death and presented to R. Howard for the Arnold Arboretum.

No fue [illegible] para [illegible] perdida mis propósitos haciendo perder el tiempo

Habiendome hecho faltar mis pequeños ensueños ha hecho mi vida miserable ha hecho faltar a mis compromisos

Ha faltado al elemento del sonhar.

Hasta ahora lo veo, de toda mala fe, mi sonhar que yo tomé, necesariamente creyendo sonhar con mi alma o por lo menos conmigo
